

PIANO HINGE CAPABILITIES

- Piano Hinges are also known as continuous hinges. Piano Hinges run the entire length of the door. Piano Hinges are manufactured with or without holes, come in various thicknesses, pin diameters, and knuckle lengths. Monroe PMP has the capabilities to manufacture Piano Hinges in a wide variety of lengths, metals and finishes.
- Monroe is ready to work with you on developing the right Continuous Hinge for your application. All of our projects start with a question, a print or a sketch.
